

# STORY ALBUM PLANS

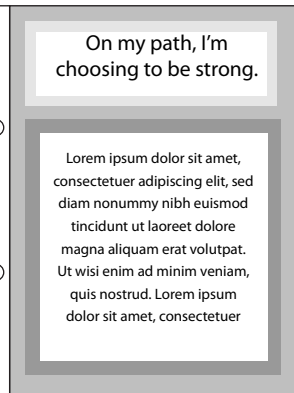

You will need 19 HORIZONTALLY ORIENTED 4 x 6 photos of your subject.

When you type the story for each story page, fit the text into a 4.75-inch square by adjusting font size and spacing. Print on white paper and cut each box of text to a 4.75-inch square. These will be glued on top of the 5.5-inch cardstock mats on the story pages.
